CR- _____</p> <p>DEFENDANT’S DRUG COURT WAIVER AND AGREEMENT TO DRUG COURT PARTICIPATION.</p>
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------

If allowed by the Court, I having been advised of my rights, agree to give up those rights and to carry out the agreements listed below:

1. I understand that it is now a term and requirement of my probation, a sentence imposed on me for case CR# _____ to participate in and complete the Drug Court program.

2. I agree that, should I be terminated from the Drug Court treatment program as an unsuccessful client, the prosecuting attorney will have the opportunity to file a charge of probation violation against me. I understand that I will have the opportunity to have a hearing on the charge of that probation violation. If the Court determines that I violated by probation, the Court may sentence me immediately or order an Update to the prior Pre-Sentence Investigation.

3. I agree to authorize the release of all treatment information to my attorney, the Prosecuting Attorney, the Court, and Probation and Parole. This information shall not be used by the Prosecuting Attorney for any prosecution, but may be used by the Court to determine my level of participation in the program, to modify my release conditions and/ or to decide to terminate me from the program, and as a factor in any sentence subsequently imposed.

4. I agree not to knowingly associate with persons using or possessing controlled substances.

5. I agree not to work with any police agency on drug cases or on cases where I may come into contact with controlled substances. I will provide historical information to a police agency regarding my involvement with controlled substances.

6. I agree to pay a non- refundable participation fee in an amount to be determined based on ability to pay, not to exceed \$300.00 per month. Should I be terminated from the program for any reason, the participation fee will still be due and owing.

7. I agree that any failure of the treatment program, including but not limited to positive drug screening tests, missing treatment, violation of release conditions, commission of a new crime, may result in modification of the treatment program and/ or release conditions, revocations of my release, and/ or termination from the program.

8. I agree to seek and maintain employment or obtain employment counseling, complete high school or obtain a G.E.D. as directed by the Court.

9. I agree to appear in court for any scheduled hearings, regardless of my compliance with the treatment program.

10. I further agree and understand that the length of time of participation in the program is ordinarily twelve months, but the Court may extend the program to allow me additional time to successfully complete my program requirements.

11. I agree to report any change of address and/ or phone number to the Court, Probation and Parole, and to my treatment provider **prior to moving** or as otherwise requested by my probation officer.

12. I waive the right to have a Court Reporter present during drug court sessions and agree to any District Judge Pro Tem appointed by the Supreme Court to preside over drug court.

13. Upon successful completion of the program, the Court shall dismiss the probation violation charged against me. I understand that successful completion of the Drug Court Program does not necessarily fulfill my probation requirements, but fulfills only the requirement imposed upon me that I complete the Drug Court program.

14. I agree that I will maintain at least seven (7) months of continuous sobriety prior to release from the Nez Perce County Drug Court Program.
